**Subject:** Budget amendment request

Emily Pope (LFB) has the following budget amendment request for the Assembly Republicans. I'm not sure who should do it.

Legis. Audit Bureau must do the following 3 audits:

1. ~~Audit all programs administered by HEAB~~
2. ~~Audit all programs administered by technical colleges that identify, recruit, and retain students through the use of grants~~
3. ~~Audit all educational loan forgiveness programs administered by Dept. of Commerce (and any other state agency) in which the loan forgiveness is funded by GPR. Emily thinks that only Dept. of Commerce administers such programs (e.g., loans for dentists and loans for rural area physicians). However, if there are other such programs administered by other agencies, they should be audited too.~~

Contact Emily for more details, if needed.
